

FAYETTEVILLE- MANLIUS LIBRARY MEDIA CENTER

February 2022

New and Noteworthy

The American Library Association announced the top books of the year! Some of the awards given are for excellence in young adult fiction, best celebration of the Latino cultural experience, outstanding books for young adults by an African-American author, and many more.

Come check out our display in the library atrium and see which books won awards!

Black History Month

We have compiled several different types of resources for Black History Month. They can be used across all disciplines!

In the collection we have included short videos, books, articles, and websites. We also have a book display at the circulation desk, feel free to grab a book to check out!

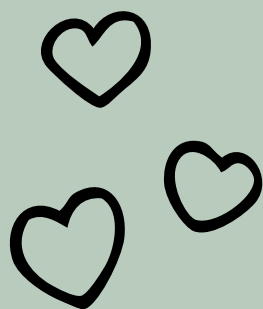

Please let us know if there's anything else we can do to help!

LIBRARY SERVICES - INTERLIBRARY LOANS

One of the many services we provide is the option to borrow books from other libraries and have them sent to our school. This service isn't only available for students. If you're taking a graduate class and need a book for a project or paper, feel free to reach out and we're usually able to find something!

If there's a new book that you saw at the bookstore or heard about somewhere else we can borrow a copy of that as well! Don't hesitate to reach out if there's ever a book we can find for you!

IN THE LIBRARY

In the makerspace this month students are making origami boxes and gifts for Valentine's Day.

We have several instructional books that take you through the process step by step. Feel free to stop by and try out your hand at making something!

"A children's story that can only be enjoyed by children is not a good children's story in the slightest."

- C.S. Lewis
